WOULD YOU LIKE TO TEACH A CLASS

at the new Community & Cultural Center? We are looking for new ideas and talented community members who enjoy sharing their skills and talents with their neighbors in English and Spanish. Please contact Therese Luggert, Recreation Supervisor at 782-0008 or email at luggert@morgan.hill.ca.gov.

TE GUSTARIA ENSEÑAR CLASES EN ESPAÑOL

en el nuevo Centro Cultural y Comunitario de Morgan Hill? Estamos buscando nuevas ideas y talentosos instructores, profesores o miembros de la comunidad que quieran compartir y enseñar sus experiencias con sus vecinos in Morgan Hill. Estamos interesados in clases de arte, manualidades, piñatas, merengue, salsa, cumbia, música folklorica mexicana y más. Si estas interesado por favor contactar Chiquy Schoenduve al 782-0008 o email a schoenc@morgan-hill.ca.gov.

Explorers

This program is designed to prepare a child for Kindergarten and entice them to learn. We will work on the alphabet, numbers, colors, printing, dexterity, art, and explore nature. Each class will be different and each session will progress from the prior session. Students enrolling in the morning class must have attended prior morning Explorer's classes (class 1). However, the afternoon class, class 2, is open enrollment, and is open for all. Children should wear comfortable old clothes (sometimes we will be rolling around on the grass!). The material fee includes a nutritional snack for each class. Instructor Nancy Harris has been teaching classes for over 20 years. Carol Seagren is a certified instructor who has taught children for many years.

Poem Crazy!

In this exciting, activity-filled workshop, children will discover their poetic voice by taking Poem Walks, creating Word Pools, and exploring the five senses and expressions of emotion. Rather than imitating others, this workshop will guide young poets in relying on their own multi-sensory experience to create individual and unique works of poetry. Children will play imaginative word games and discover new ways to describe images, scents, sounds, tastes, textures and themselves! At the conclusion of this 6-session workshop, the young poets will have learned the value of journal writing and will have completed a number of original poems to read at their very own poetry reading. Exercises are based on research done on California Poets in the Schools and the California Standard of Education.

Poem Crazy!

In this exciting, activity-filled workshop, children will discover their poetic voice by taking Poem Walks, creating Word Pools, and exploring the five senses and expressions of emotion. Rather than imitating others, this workshop will guide young poets in relying on their own multi-sensory experience to create individual and unique works of poetry. Children will play imaginative word games and discover new ways to describe images, scents, sounds, tastes, textures and themselves! At the conclusion of this 6-session workshop, the young poets will have learned the value of journal writing and will have completed a number of original poems to read at their very own poetry reading. Exercises are based on research done on California Poets in the Schools and the California Standard of Education.

Session 1: Tuesdays, 6/15 - 7/20
Time: 2:20-3:20 pm Activity #: 3191.2105

SWIM LESSON PROGRAMS:

Group Swim Lessons: A wide variety of professional group swim lesson programs are available throughout the summer. These include Parent/Tot, Preschool, Progressive Level, and Teen/Adult programs. All programs are divided into different skill levels designed to group persons of similar age and skill levels and meet Red Cross standards. Personal attention is emphasized as most classes will have 4 to 9 students per instructor.

PARENT//TOT PROGRAM:

For parents and infants or toddlers ages 6 months to 3 years. Parent/guardian participation in the water is required.

"Cuttle Fish":

This program is designed to teach children how to become accustomed to the water through playful interaction and games. Parents learn about aquatic safety for children. These lessons take place in the zero-depth entry recreational pool specifically designed for children to overcome any fear and progressively become accustomed to the water at various depths. Parents must accompany children in the water and children must wear swim diapers which can be purchased at the AQUATIC CENTER. This class does not teach children to be accomplished swimmers or to survive in the water by themselves.

PRESCHOOL PROGRAM:

For children between the ages of 3 to 5 years.

This program teaches swimming skills in several levels. There are several options in this program that allow pre-school children to continue their progress in swimming. As children become proficient at each level, they progress to the next level. The levels allow for further advancement while keeping children in classes with their peers. Children may begin at any level that best matches their swimming proficiency.

"Clown Fish" Level I:

This level focuses on water adjustment through games and playful interaction. There is no formal introduction to swimming strokes but rather is designed to develop a comfort level in the water that will prepare the child to learn how to swim. Parent participation in the water is optional but the child must be able to take direction from the instructor if the parent does not participate. These lessons take place in the instructional pool and zero-depth entry recreational pool specifically designed for children to overcome any fear and progressively become accustomed to the water at various depths.

"Jelly Fish" Level II:

This level is for children who have already been introduced to the water and are comfortable enough in the water to begin to learn the basics of swimming. Instruction focuses on supported floating and beginning arm movements as well as rhythmic bobbing. Parent participation in the water is discouraged. These lessons take place in the instructional pool.

"Balloon Fish" Level III:

Children enrolled in Level III must be able to perform Level II skills without instructor assistance. Unsupported floating and gliding as well as front and back crawl arm movements are taught. Also personal safety skills are introduced. These lessons will be taught in the instructional pool.

"Flying Fish" Level IV:

This class is designed for those who have mastered the skills taught in levels I through III. Elementary backstroke is introduced and children become accustomed with bobbing to safety, treading water and swimming in deeper water. Diving from the side of the pool is introduced. These classes are taught in the instructional pool and competition pool. Pre-school children who successfully complete this level should have the skills to begin the Children's Progressive Program at "Pelican" Level III.

PROGRESSIVE LEVEL PROGRAM:

For children between the ages of 6 to 13 years.

This program teaches a variety of swimming skills from beginner to more advanced principles. Each level builds upon those skills taught in the previous levels. Parents may enroll children at any level for which they have adequate skills.

"Sea Turtle" Level I:

This is a beginning swim class which teaches water exploration and primary swim skills. It is designed for various levels of beginner swimmers with little or no water experience. Swimmers will learn to follow basic water safety rules; use a lifejacket; submerge mouth, nose and eyes; float on front and back; open eyes underwater and pick up submerged object; swim on front and back using arm and leg actions; enter and exit water safely; exhale underwater through mouth and nose; explore arm and hand movements. Classes will be held in the instructional pool.

"Sting Ray" Level II:

This class is designed for swimmers who have those skills taught in "Sea Turtle" Level I. This level will build on Level I skills and include moving in the water while wearing a life jacket; submerging entire head; front and back glide; treading water using arm and leg motions; recognizing a swimmer in distress and getting help; bobbing in water; jellyfish float; swimming using combined stroke on front and back. Classes will be held in the instructional pool.

"Pelican" Level III:

Basic skills are built upon including reaching assist; submerging and retrieving an object; front and back glide; front and back crawl; kneeling and standing dive (shallow dive progression); rotary breathing in horizontal position; survival float on back; butterfly kick and body motion. Classes will be held in the instructional pool and the competition pool.

"Platypus" Level IV:

This class is for children who have learned, but not mastered level III skills. Emphasis will be placed on safe diving rules; diving from stride position or shallow dive; survival float on back; elementary backstroke, breaststroke, butterfly; throwing assist; feet-first surface dive; front and back crawl. Classes will be held in the instructional pool and the competition pool.

"Crocodile" Level V:

Students should have been introduced to all four competitive strokes (butterfly, backstroke, breaststroke, front crawl) and elementary backstroke by this level. Further coordination would include sidestroke; survival swimming; standing dive (diving progression); open turns on front and back; performing rescue breathing; tuck surface dive and pike surface dive; front flip turn and backstroke flip turn. Classes will be held in the instructional pool and the competition pool.

"Great White" Level VI:

The purpose of this level is to refine the strokes so students swim them with ease, efficiency, power and smoothness over greater distances. This class requires a higher level of proficiency and endurance in each of the strokes taught at previous levels. Classes will be held in the instructional pool and the competition pool.

Swim Conditioning Class:

For students who have passed Great White Level VI and want to continue swimming post lessons. This class is designed to prepare participants who aren't ready for competitive swimming by introducing them to a basic swim team structure. These participants will also have an opportunity to meet local coaches and gather information about the local swim teams and clubs.

TEEN/ADULT SWIMMING INSTRUCTION:

For anyone age 14 or older.

These classes are designed for teens and adults who desire to learn to swim. Teen/Adult classes are able to be tailored more toward the individual's skill level using adult learning techniques.

Teen/Adult Beginner:

For teens and adults who do not know how to swim but want to learn. Emphasis is placed on water safety and basic swimming strokes such as treading water and front and back crawl coordination. Classes are paced to the individual's skill level. Classes will be held in the instructional pool and the competition pool.

Teen/Adult Advanced:

For teens and adults who have learned the basics of front and back crawl coordination and would like to learn more advanced techniques, such as breaststroke, sidestroke, butterfly and diving. Classes are paced to the individual's skill level. Classes will be held in the instructional pool and the competition pool.

See class schedule on next 2 pages.

Private and Semi-Private Lessons

Private and Semi-Private Lessons for any age or ability are also available. Parent participation may be required for children under 3. Instruction is geared towards the individual's ability. Private lessons are set up for one student per instructor. Semi-Privates are set up for two students of similar age and ability per instructor. Semi-Privates are not paired up by AQUATIC CENTER Staff. There is no minimum or maximum amount of lessons to sign up for and scheduling is ongoing based on availability. Call 782-2134 to schedule your lessons.

Adaptive Swim Lessons

Adaptive Swim Lessons that are specifically designed for children with mental, physical, or developmental disabilities with an individual instructor are available. Skills are learned step-by-step so that each student can move comfortably from one level to another. Call 782-2134 for schedule availability.

Swim Lesson Fee:

*Every paid session of group lessons includes one free level appropriate T-shirt.
Additional T-shirts available for \$10 each.

COOL IT Aerobics

We offer great, highly effective and low impact water exercise programs for all levels of fitness. See schedule below. No pre-registration required.

Shallow Tone

This shallow water class is designed to accommodate all fitness levels. With a combination of cardiovascular conditioning, toning techniques, and strengthening exercises this class will provide you with a total body workout minus the impact effect from hard surfaces. Aqua socks or tennis shoes are recommended.

Senior Sculpt:

A gentle cardiovascular and muscle toning class geared especially for seniors 55+.

Deep H2O Dynamics

This class is designed for more proficient swimmers and is taught in 7 ft of water. Deep water aerobics with the assistance of cuffs and hand buoys will increase flexibility, strength, cardiovascular endurance, balance, and motor coordination in a non-impact environment.

Fee for all Exercise Classes:
